with effect from 1.7.08 and directed that the question of including his name in the list of Auildars will be considered when the question of increasing the Cadre of Auildars is taken up. The question of increasing the Cadre of Auildars was taken up in respect of the appts as Dt Excise officers and the appt of Manager, Rev Commrs Office, was since taken up and discussed with the result that (tho' no orders were issued) it was decided that Officers of the Auildari grade who are on deputation as Dt Excise officers &c - should be seconded in the Auildari list of Auildars This decision, while indicating expressly that the Cadre is not to be increased in respect of the above appts, appears to direct impliedly that Officers who are not already on the list of Auildars will, on their appointment as Dt Excise Offrs be included in that list. Besides, G. O. no. 7L-9243-54 dt 15.6.07 C. No. 1115-16-1 appears to direct such inclusion.

If, on the above grounds Mr Rozarios included in the list of Auildars, there will be the further question as to his rank and position in that list. ~~He Excise Commrs~~ ~~that Mr Rozarios appointment~~ On the ground that Mr Rozarios pay has been raised to Rs 175 with effect from 1.7.08, the Excise Commrs recommend that he should be placed in the 3rd class, after Mr B. that some of these have been put in subprotem and acting in that class. Besides, lately, officers are being confirmed as Auildars only after they pass the Accounts Test & Mr Rozario passed the special Examn in Accounts which was held in August 1908. Out of the acting Auildars who passed this special examn, only five, viz Messrs G. Narayanadas & C. 3. In the above circs, the point & place in the Auildars list to be assigned to Mr Rozario in the list of Auildars is a matter for orders. Mr Rozario's confirmation as Auildr, i.e., inclusion in the above list is to be made subject to his producing an equitation Certificate is also matter for orders. If it be decided to confirm him only in the 4th class, his present pay may have to be split up into pay Rs 150 + personal allowance Rs 25.

These papers relate to a proposal made by the Excise Commissioner to include Mr. J.E. Rozario, District Excise Officer on Rs.175, in the list of Amildars. Mr. Rozario was Senior Excise Inspector on Rs.150, and was appointed District Excise Officer of the status of Amildar in July 1907. Subsequently his pay was raised to Rs.175.

My dear Sir,

With reference to the opinion of the Council in File No.1863, I am directed to enquire whether there are any other reasons, beyond inexperience in Revenue and Magisterial work, for excluding Mr.J.S.Rozario from the Amildar's list. It is presumed that he has passed all the other tests for an Amildar's post and it seems rather hard to deprive him of the advantages of belonging to a graded service and obtaining his regular grade promotion simply because he is doing special work in the Excise Department and has never yet been an Amildar. Every man has to learn work at some time and should Mr. Rozario be ever required to do Revenue or Magisterial work, his good work as an Excise Officer and the tests which he has passed should be a sufficient

My dear Sir,

With reference to your D.O. letter No. 310 dated 25th March 1911 conveying certain observations about the case of Mr. J. E. Rozario, District Excise Officer, I write to say that I have discussed the subject again with the Councillors. The District Excise officers - 8 in number - consist of 4 officers of the grade of Assistant Commissioners and of 4 officers of the status of Amildars. The former are included in the cadre of Assistant Commissioners and draw their grade pay from time to time. The case of the latter is somewhat different. The Amildars are essentially land revenue officers and the number of officers in that cadre has been fixed with reference to the needs of the land revenue administration. When it was decided to have four District Excise officers of the status of Amildars the pay of these appointments should have been definitely fixed - so as to correspond generally with the scale of pay of Amildars -

or

or four places ought to have been added to the cadre of Amildars.

2 The latter was apparently the intention (Vide Mr. Madhava Rao's note dated 27th January 1909) but when the subject was taken up and considered the Excise Commissioner and the Revenue Commissioner raised certain objections and the matter was dropped for the time being. So far as Mr. Rozario was personally concerned his pay was raised from ₨150 to ₨175 by a Government Order issued on 9th February 1909 and the question of his inclusion in the list of Amildars was deferred.

3 The present position is therefore that four District Excise officers are of the status of Amildars but their appointments are not added to the cadre of Amildars. Three of the four present incumbents of these appointments are however pukka Amildars and as such they earn their promotion in that cadre from time to time. While they do duty as District Excise officers their places in the Revenue

department

department are filled sub pro tem. Mr. Rozario is not however an Amildar but has the status of one and his pay has been arbitrarily fixed at 175 Rs. He does not become entitled to promotion like the other District Excise officers by vacancies occurring among Amildars, and when he is thought deserving of promotion his pay has to be ~~incurred~~ increased arbitrarily from 175 to say 200 Rs.

4 He has passed all the tests prescribed for Amildars but considering his age and the service he has ~~put in~~ rendered in the Excise department it is not likely that there will be any need to take him away from that department and ~~put~~ post him to the charge of a taluk as a revenue officer. His inclusion in the list of Amildars will, however, so long as the cadre is not increased, ~~absorb~~ absorb one of the permanent vacancies among Amildars and may be felt as a hardship by the men in the Revenue department who are awaiting confirmation as Amildars.

5 If however these four places are added

to the

(22

to the cadre of Amildars that objection will be met and in that case Mr. Rozario may be included in the list.

6 But if that course is not adopted there seems to be no harm in Mr. Rozario remaining as he is at present outside any graded service. He got his last promotion about 2 years ago and there is nothing to prevent his being granted an increase when he has been on his present pay for a sufficient length of time.

SIR,

I have the honor to bring to the notice of Government that the pay of Mr. J. E. Rozario, District Excise Officer, Bangalore, has been ordered to be raised from Rs.150/- to Rs.175/- from 1st July 1908 in Government Order No. Fl.3449-51/S.R.177-07-5, dated the 9th Feb-ruary 1909. But in the latest Civil List - page 69, last column - the following remark is entered against the name of Mr. Rozario : - " Bangalore District Excise Officer his status being equal to that ~~of~~ of an Amildar of the last class ". As he draws a pay of Rs.175/- his status is equal to that of an Amildar of the third class and I believe he ranks after Mr. B. S. Venkatesaya, as Mr. Rozario has drawn his pay at Rs.175/- from the 1st July 1908. I request that necessary orders of Government may kindly be obtained in the matter.

I have the honor to be,

Sir,

Your most obedient servant
